Don't forget to share the pictures of your countdown jars with us on our Little Troopers Facebook page [#CraftyLittleTroopers](#).

Make a label for each Jar. One that will say "Days to Do" and one that says "Days Done".

Stick the label on with glue dots and decorate the jar, however you like. It really is up to you.

Decide on what you are going to use as a day counter and count out 1 for each day. Put them all in the Days to Do Jar.

Each day move your counter to the Days Done jar and watch the days float by!
