

The 'Not Now, Bernard' Comic Strip Resource Pack

Notes for Teachers

This pack is designed to be used in conjunction with the 'Not Now, Bernard' Comic Strip Style Presentation. These sheets are designed to be printed on A3 paper or photocopied to that size. The pupils should first sequence the pictures onto the template and colour them in brightly, then add the desired speech bubbles. I suggest that pupils write into the speech bubbles before cutting and sticking them onto the comic strip.

Have Fun!
