

Things you will need:

An empty jar or box

Glue
A gift tag
Small bits of paper

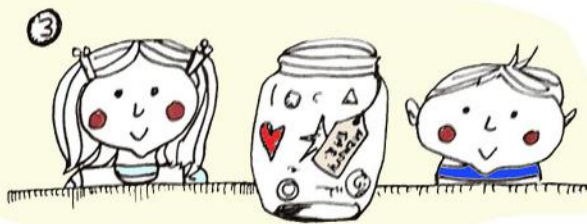

Don't forget to share the pictures of your memory jars with us on our Little Troopers Facebook page. #CraftyLittleTroopers

Find an empty jar or box.

Decorate however you like.

Put your jar somewhere safe and easy to reach. Ours is on the kitchen table.

Write down nice things that happen. (Grown ups as well)

Put them in your jar.

When everyone is together again, read and share the memories from your jar.
