Don't forget to share the pictures of your Memory Tree with us on our little Troopers Facebook Page [#CraftyLittleTroopers](#)

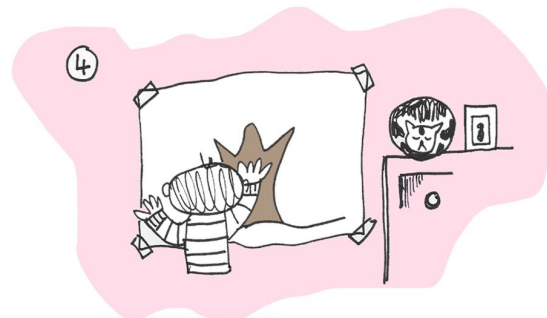

Print out the tree trunk template and colour it in. Cut it out carefully.

Take your large piece of paper and draw a line at the bottom. Stick your trunk onto the paper, on the line. (Alternatively you could draw a trunk straight onto the paper)

Print out your leaf template. Print onto green paper and cut out the leaves. Alternatively you could paint them green or use coloured pencils to give a green tinge! Keep your leaves in a pot.

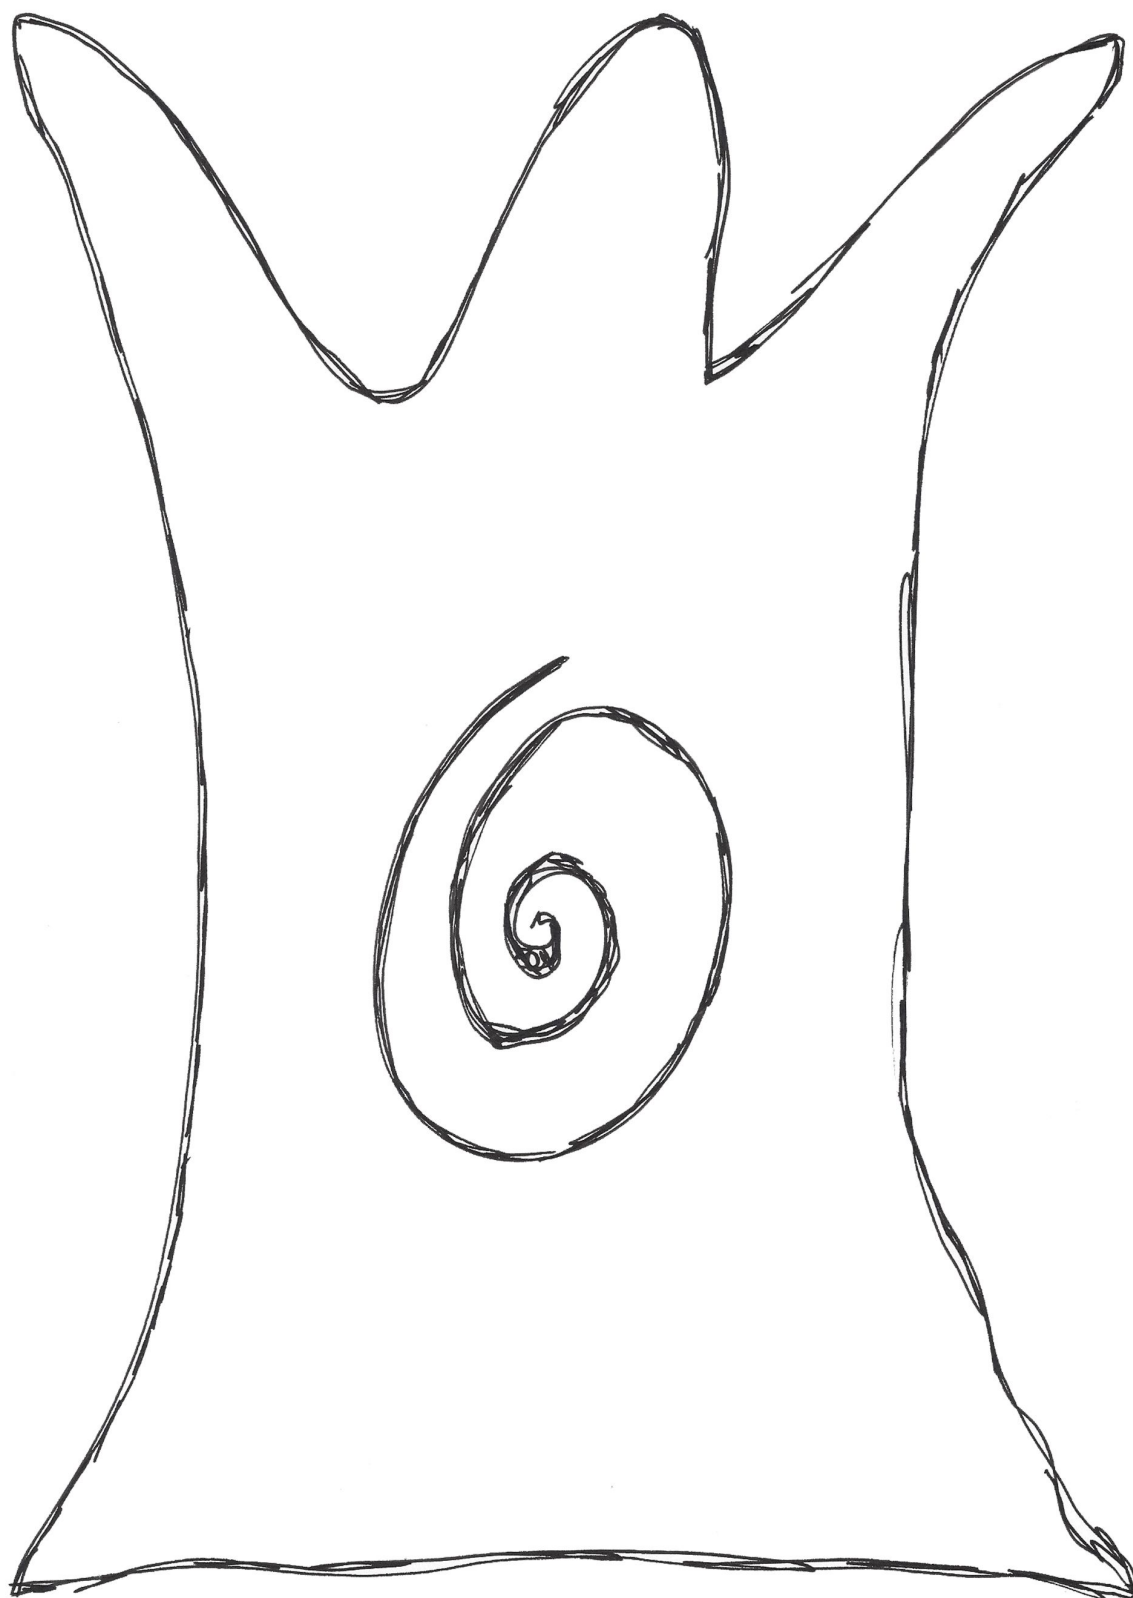

Find a special place for your Tree and stick to the wall.

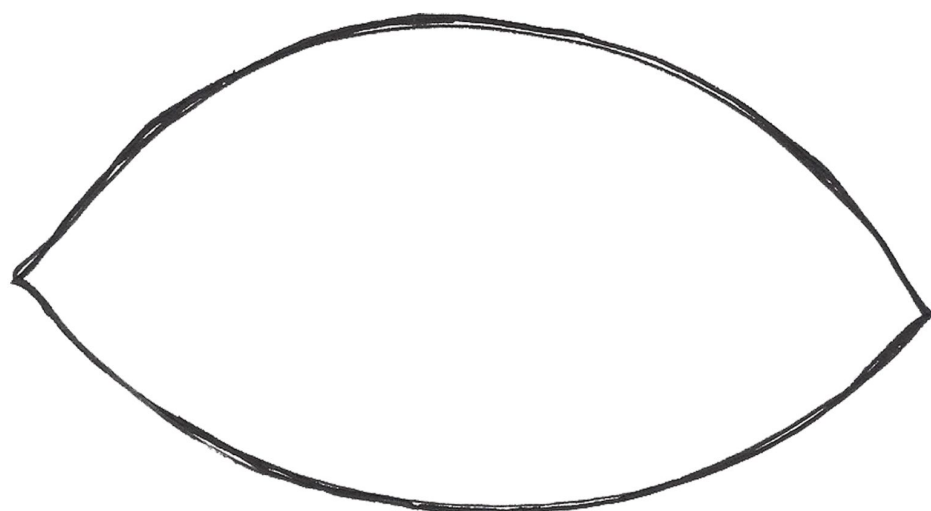

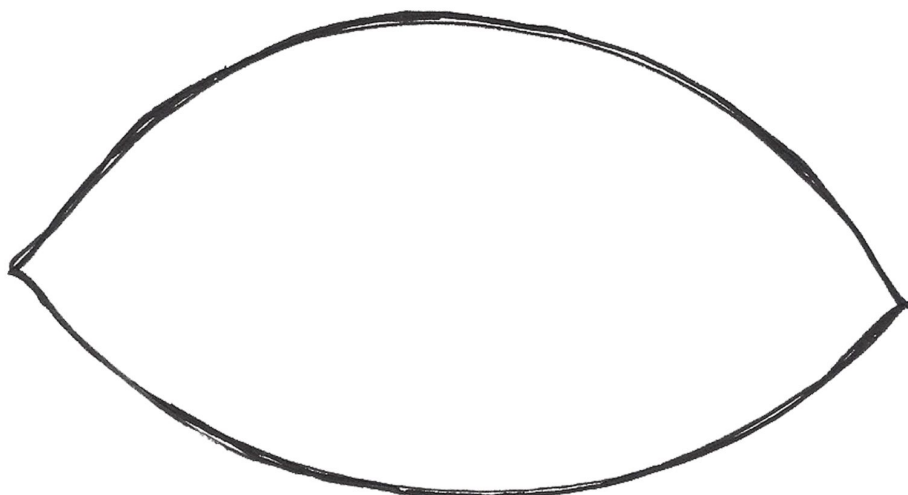

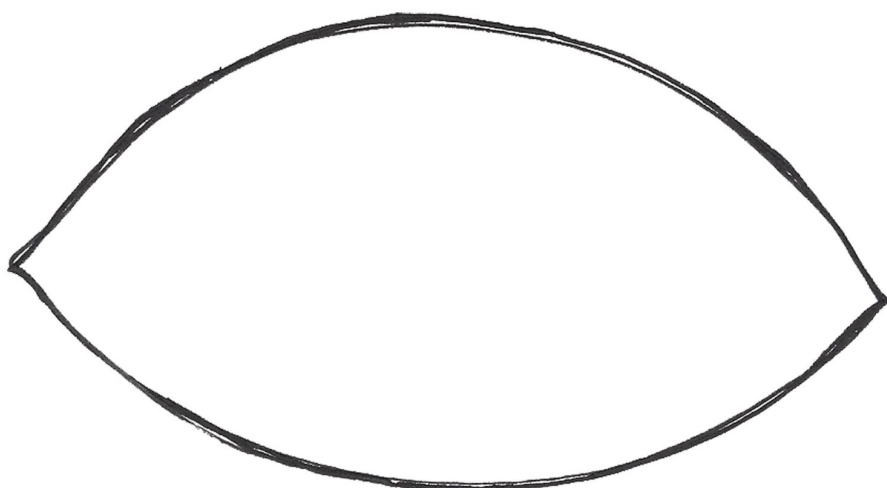

Everytime something memorable happens, write the memory on one of your leaves and add the date. stick your memory leaves to the tree and share with the returning parent.
