

Odd-one-out with pirate vocabulary.

It is usually easy to say what is different if one in a group has one visual difference - but we need the words to say it.

E.g. upsidedown/ facing the other way/ a different colour/
bigger/ smaller/ that one's got no .../

Match word to picture with pirate vocabulary.

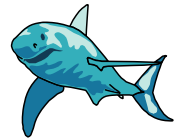

Try and draw nice straight lines from the word to the correct picture. Tell what each thing is for. As appropriate, copy the words or write a sentence about each picture. Has anyone seen the things in a museum or somewhere?
