

Smartie Emotion game

Bingo board for each player

Bag of smarties so the colours are hidden

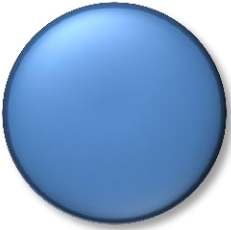

The child picks a smartie and answers the appropriate question, then puts the smartie on their board. If they pick a colour they already have on their board then they must put the smartie back. Make sure everyone washes their hands first!

Continue until someone gets Bingo then the children can eat their smarties.

A time you felt sad

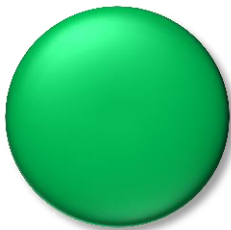

A time you felt happy

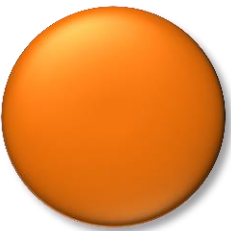

A time you felt mad

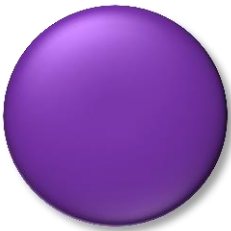

A time you felt worried

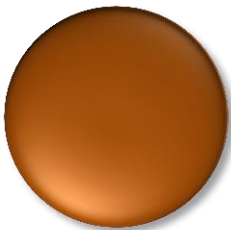

A time you felt jealous

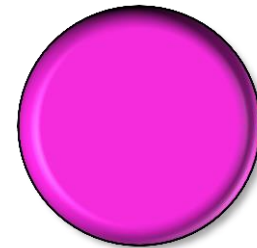

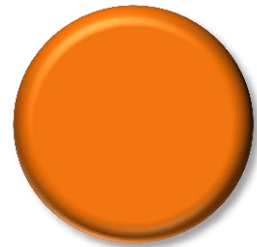

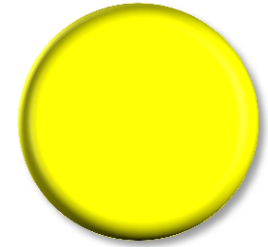

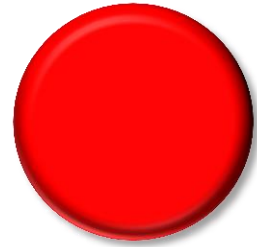

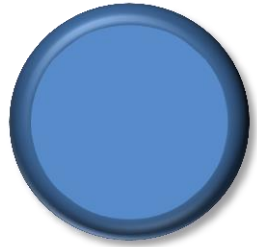

A time you felt excited

A time you felt tired

A time you felt disgusted
