Problem

Once upon a time...

Long, long ago...

The alarm clock was
ringing...

Many years ago...

The street was empty...

The wind was howling...

When I got up today...

It was snowing
heavily...

It was my first day in
a new school...

Where was I?

The first thing I
remember was..

What happened next?

Descriptive language

Where are you going?

Sudden changes

Emotions

Someone gets lost

...happily ever after

...and we all went
home

...and it was never
spoken of again

...that was the end of
that

...it's our little secret

...it was a fantastic
adventure
